## TOFU CAT LEADER CLUMPING

## NEW VEGETAL CAT LITTER FROM SOYA

**CAT LEADER TOFU** is a new vegetal cat litter of excellent quality. It is a natural product, made from soya, with significantly high liquid absorption. Light in weight, very soft and in the shape of pellets, it is practically track-free and with no dust, ideal for cats' sensitive paws. It is 100% biodegradable, the pellets clump together for easy removal and can be flushed down the toilet for less garbage.
